DATE OF IN

THIS IS UNEVALUATED INFORMATION

25X1

1. In June 1952, Autumn 1952, and March 1953 from the road between Jicin N 50-26, E 15-217 and Ostruzno Encl. A. Pt. 47 the construction of an airfield near Jicin.

25X1

this was to be a combination military and civilian airfield. The airfield was located approximately 2.7 km. west of Jicin, 500 to 600 m. northwest of Voksice N 50-25, E 15-197, 800 m. south of Brezina, 3 km. north of Podhradi N 50-25, E 15-197, and 5 km. southeast of Ostruzno. It was approximately one kilometer west of the highway Encl. A., Pt. 37 from Jicin to Bystrice N 50-24, E 15-157. It was approximately 275 m. above sea level. The field formed an irregular rectangle approximately 1,800 m. from east to west and 600 to 700 m. from north to south. A runway Encl. B, Pts. 1 and 27 was under construction, but no buildings had been constructed there as yet, and no evidence of technical facilities. The field was level and grass surfaced, but there were piles of dirt Encl. B, Pts. 4, 5, and 67 near some excavation sites which were each approximately 20 x 35 m. in size. no aircraft at this field.
